We listen before we advise

When you need quality help with your legal challenges or problems...

Here are the main expectations our clients over the last ten years have told us they have of their solicitor ...

- When you call you'll always speak to someone friendly who understands the stress and anxiety that can come from matters of the law ...
- A solicitor who is approachable and a good communicator so that you can relax knowing you are fully informed and aware of exactly where you stand ...
- A solicitor who is professional and upfront about what your costs will be so you can plan a budget ...
- A solicitor who is totally comfortable to have an initial chat with you on the phone ... without cost or obligation ... so you know where you stand ... saving you time if your circumstances don't yet require a visit to the firm.

The most important person to us is ... you!

Do you need legal help with...

- Buying or selling a property?
- Buying or selling a business?
- Leasing commercial or retail premises? (landlord or tenant)
- A Will or a detailed estate plan?
- A deceased estate, including an application for probate or for letters of administration and will challenges?
- Liquor licensing?
